Dear Mayor Thompson:

Your comments last night in the wake of the Act 47 Plan being rejected were positive. You indicated that you are going to reach out to all the stakeholders for ideas in crafting your own recovery plan. Your optimism was encouraging. This is a great opportunity for you and all city leaders to work together on the best plan for Harrisburg residents.

We both agree that we would like to work with you and all Council members in the development of your plan. Our assistance, advice and ideas are at your disposal. Please include us as you and Council proceed.

We look forward to hearing from you soon.

Best regards,

Daniel C. Miller
